

USH (Unified Security Hub)

This is to certify that

Broadcom Corporation

has successfully achieved certification in the NFC Forum Certification Program indicating that their product has demonstrated its conformance to the Applicable Certification Requirements listed below.

Certification Requirements:

NFC Forum Device Requirements 1.1

Date certified: March 31, 2014

Certification ID: 52225

TM: The NFC Certification Mark is a worldwide trademark or registered trademark of the NFC Forum. The NFC Certification Mark may be used only in relation to products that have been certified under this program and only after the company has entered into the license agreement with the NFC Forum. The register of NFC Forum Certified products may be viewed at http://certification.nfc-forum.org/certification_register.

The NFC Forum Certification Program is operated by The Open Group.
