

A graphic consisting of several overlapping circles in shades of blue and orange, creating a pattern reminiscent of signal waves or a network. A large orange circle is positioned on the right side, containing the text 'CERTIFICATION PROGRAM BULLETIN' in white, bold, uppercase letters.

CERTIFICATION PROGRAM BULLETIN

New Version of Test Case Category List Available: TCCL v 2.18

Effective immediately, please use Test Case Category List (TCCL) v 2.18 to view the test cases required for NFC Forum certification as applicable for a given test plan. This document indicates the status of the NFC Forum test cases and will help you determine which test cases need to be run on an implementation under test (IUT).

Summary of the changes:

The following Test Case have been demoted
TC_AGG_TAR_BV_01

The new version of the document can be found in the [TCCL section](#) of the Certification web page together with all previous TCCL versions. Please exercise extra care to always use the most recent version of the TCCL.

Please contact Certification@nfc-forum.org should you have any questions.

Thank you,

NFC Forum Compliance Committee
